Supra® eKEY Basic

The Supra eKEY app has been redesigned to have a modern look and feel that includes a simpler interface, quicker access to common tasks, and the following additional improvements.

- Interface designed to accommodate left-handed and right-handed users
- 30-digit numeric authorization code replaced with a simpler, more secure 10-digit alphanumeric authorization code
- Listing information displayed after a keybox is opened (requires data agreement)
- Showing details available in app (previously only available to eKEY Professional subscribers)
- Add an optional, extra layer of security by requiring your device's biometric scanner to open keyboxes
- Open keyboxes using your Apple Watch®
- Option to enter PIN only once per day to obtain keys (requires device lock to be enabled)
